Education

Ajeenkya D Y Patil School of Engineering, Pune	**2020 – May 2024**
B.E. - Computer Engineering	*CGPA: 7.85 / 10*

Sau H.G. Gaikwad Junior College of Science, Pune	**2019 – May 2020**
12th— MSBSHSE	*Percentage: 69.30 / 100*

Vidyadham Prashala Shirur	**2017 – May 2018**
10th — MSBSHSE	*Percentage: 85.60 / 100*

Technical Skills

- Java
- HTML 5
- CSS
- MySQL
- OOPs
- Data Structures
- Bootstrap
- Java Script
- Node.js
- MongoDB
- Express
- C ++

Experience

Lets Grow More	**1 March 2023 – 30 April 2023**
Java Developer Intern	*Internship*

Projects

Multilingual Translation Engine for Announcement at Railway Station | *Java* — **January 2024**

https://github.com/vedant0157/Railway-announcement-system

- Streamlined Announcement Process: Real-time automated translation was implemented in place of importing recordings to cut down on delays and increase efficiency when communicating important information.
- Overcame Language Barriers: Using automated translation, a multilingual railway announcement system was created to enable coherent communication for a diverse passenger base without requiring the importation of recordings from a database.
- Improved User Experience: To counteract the monotony of traditional announcements, user-centric features like dynamic voice switching and speech rate modification were designed. This made the experience for train passengers more interesting and user-friendly.

QR code for accidental victim | *Java* — **September 2023**

- Software with QR codes was developed for cars to communicate the owner's emergency contact details in the event of an accident.
- Enabled passersby to quickly get the owner's details by scanning a QR code.
- Made data security and privacy a priority while facilitating effective emergency communication.
- incorporated real-time updating functionality to make sure the QR codes always show the most recent emergency contact details, boosting the system's efficacy in life-threatening circumstances.

ASSESSMENTS / CERTIFICATIONS

Student Development Program in Cyber Security, IIT Kanpur
Java Bootcamp

Leadership / Extracurricular

Cyclothon	**August 2023**
	ADYPSOE

- Lead a of team 30 volunteers at Cyclothon event and Made a record in World Book of Records for longest moving line of Cycles

Hobbies

- Swimming
- Cycling
